

Dubois Anglers & Wildlife Group

Spring 2019 Newsletter

The Dubois Anglers & Wildlife Group (DAWGs) is a non-profit organization committed to the preservation and protection of the recreational and aesthetic quality of the Upper Wind River Watershed.

Pete's Pond Project

In the Fall of 2017, we celebrated the beginning of Phase 1 of pond construction. We've moved a lot of ground since that time and filled a lot of it with water! Trumpeter Swans visited the pond within a month of initial fill and fish were stocked in June of 2018 by the Wyoming Game and Fish Department's Dubois Hatchery. We held the first Kid's Fishing Day at Pete's Pond a week later.

Pete's Pond has become a stopping point for migrating waterfowl and a focus of community recreational use. In addition, community involvement in the project has been very gratifying.

A bridge over the outlet channel and picnic pavilion were constructed by the Bruce Thompson family. A handicap fishing ramp, pathways, parking area, and a restroom are all complete; over a 100 trees and shrubs have been planted. We're planning to wrap up construction activities this spring.

Thank you to the many generous supporters
and
grantors who made Pete's Pond happen!

Grantors and Organizational Donors

This project was made possible by major funding from Wyoming Wildlife and Natural Resource Trust

Dubois Community Project
Dubois Volunteers, Inc.
Never Sweat Recreation Board
Popo Agie Anglers
Town Of Dubois

Wyoming Game and Fish Commissioner's License
Commissioners Byrd and Anselmi
